Independent Auditors' Report

Board of Directors of the Victoria College Foundation, Inc.

We have audited the accompanying financial statements of Victoria College Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of August 31, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Victoria College Foundation, Inc. as of August 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses on pages 13-14 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

VICTORIA COLLEGE FOUNDATION, INC.
VICTORIA, TEXAS

Notes to the Financial Statements
August 31, 2014 and 2013

Note 1 **Nature of Organization and Significant Accounting Policies**

The Victoria College Foundation, Inc. (the Foundation) is a nonprofit corporation organized and operated to solicit and receive donations, gifts and grants of money and property, and to administer the same and expend funds on charitable or non-profit basis on behalf of The Victoria County Junior College District (the College), its departments, facilities and activities. The primary function of the Foundation is to fund programs of the College. The Foundation's support comes primarily from individual donors' contributions.

Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC). The Foundation is required to report information regarding its financial position and activities according to three classes of net assets. The net assets of the Foundation are classified and reported as follows:

Unrestricted – Net assets that are not subject to donor-imposed restrictions.

Temporarily Restricted – Net assets that are subject to donor-imposed stipulations that may or will be met either by action of the Foundation and/or the passage of time.

Permanently Restricted – Net assets that are required by donor-imposed stipulations to be maintained permanently by the Foundation.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held in checking, certificates of deposit, money market accounts and investments with original maturities of less than three months.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities or mutual funds are measured at fair value (based on quoted market prices for those or similar investments) in the statement of financial position. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statement of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law.

VICTORIA, TEXAS

Notes to the Financial Statements, Continued

Note 1 **Nature of Organization and Significant Accounting Policies, Continued**

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as unrestricted contributions.

All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated Services, Goods, and Facilities

The Foundation receives a substantial amount of services, goods, and facilities donated by the College. Contributions of donated noncash assets are recorded at their fair values in the period received.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Foundation is a nonprofit corporation whose revenue is derived from contributions and is not subject to federal or state income taxes under Section 501(c) (3) of the Internal Revenue Code, though it would be subject to tax on income unrelated to its exempt purposes. The tax years ending 2012, 2013, and 2014 are still open to audit for both federal and state purposes. The foundation is classified as an organization that is not a private foundation.

Subsequent Events

The Foundation has evaluated subsequent events through November 5, 2014, the date which the financial statements were available to be issued.

Note 2 Investment Income

Investment income from cash equivalents and investments is comprised of the following:

	August 31, 2014			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Interest and dividends	\$ 218	\$ 285,432	\$ -	\$ 285,650

Total	\$ 230	\$ 1,315,704	\$ (539,672)	\$ 776,262

Note 3 Donated Services, Materials, and Facilities

The Foundation's administrative and executive services are donated by the College. The College also provides an office, use of furniture, equipment, office supplies and all other items necessary for the daily operations of the Foundation.

At August 31, 2014 and 2013, the College has determined the fair value of donated services, materials and facilities to be \$193,924 and \$162,325, respectively. The donated services, materials and facilities are included in contributions and expenses in the statements of activities.

A grant in the amount of \$60,000 was awarded from the Victoria College Foundation, Inc. to the Victoria College during fiscal year 2013-2014. The grant was to partially support the salary of an Executive Director for the Victoria College Foundation. The funds for this grant were not from any individual, corporation or foundation. The funds were a portion of a 1% management fee that is assessed to the endowments held by the Foundation. The 1% is assessed to a three year rolling average of market values for each named endowment. This is the same process used to determine allocations for scholarships/programs. This percent amount varies annually, based on endowment earnings, and is approved by the Foundation Board of Directors.

Note 4 Functional Allocation of Expenses

The costs of providing the programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 5 **Pledges Receivable**

Pledges receivable of \$53,486 and \$3,699 at August 31 2014, and 2013, respectively, are all receivable in less than one year and are considered fully collectible. Pledges at August 31, 2014 and 2013, consist primarily of pledges made relating to furnishing and equipping the Emerging Technology Center.

In 2014, the Wood Family Memorial Trust made a pledge in the amount of \$75,000 to be paid in three annual installments in 2014, 2015, and 2016, with the first installment paid in August 2014.

	<u>2014</u>	<u>2013</u>

Due in one to five years	<u>25,000</u>	<u>-</u>
Total Pledges Receivable	<u>\$ 53,486</u>	<u>\$ 3,699</u>

Note 6 **Concentrations of Credit and Market Risk**

Financial instruments that potentially expose the Foundation to concentrations of credit and market risk consist primarily of cash equivalents and investments. As of January 1, 2013, the Federal Deposit Insurance Corporation (FDIC) insures all bank account balances up to \$250,000. At August 31, 2014 and 2013, the Foundation's uninsured balances totaled approximately \$995,861 and \$1,006,000, respectively. The Foundation has not experienced any losses on its cash equivalents. Management believes the Foundation is not exposed to any significant credit risk on cash and cash equivalents. The opinion of management is that the Foundation's investments do not represent significant concentrations of market risk in as much as the Foundation's investment portfolio is designed to achieve diversification.

Note 7 **Endowment Funds**

The Foundation maintains two endowed funds. The Victoria College Foundation Endowment consists of one hundred eight endowments created by various individuals and organizations. The Foundation maintains detailed records regarding each separate endowment. Income, expenses, and gains or losses on investments are allocated to each endowment based on its percentage in relation to the whole.

The Victoria College Transfer Student Endowment contains contributions made by various individuals and organizations with the intent to provide funds to generate scholarships for students transferring to either the University of Texas or Texas A&M University after completion of their work at The Victoria College.

It is Foundation policy that no income may be transferred from an endowment for use as scholarships until the endowment balance reaches a minimum of \$15,000 and has been established for a full year.

Note 7 Endowment Funds, Continued

The Foundation's intent is that the portfolio be managed with the intention of achieving competitively high rates of return to secure sufficient income and growth over time to meet the requirements of the Foundation, while adhering to a prudent level of risk. The investment policy is designed for long-term growth because the portfolio is held in perpetuity. The long-term asset allocation for the Victoria College Foundation Endowment is 50% equity and 50% fixed income while the allocation for the Victoria College Transfer Student Endowment is 35% equity and 65% fixed income (with a 10% variance allowed). There are minimum and maximum ranges around the targeted allocation.

The Foundation conducts the Tradition of Excellence annually in order to raise funds for scholarships, facilities, and faculty grants. Some contributors designate donations for certain endowments.
